To Whom it May Concern,

I am writing this letter of recommendation on behalf of McKay Pali, a class of 2022 Kamehameha Schools Maui student. I have had the privilege of knowing McKay as a student-athlete on our campus for four and a half years. During that short time, I have witnessed him excel in the classroom and different athletic environments.

In the classroom, McKay maintains a 3.4 GPA and is on track to graduate next year. In his most recent distance learning semester through Arizona State University, he was able to achieve straight A's in a self-paced and self-directed setting. While the pandemic presented many challenges for learners, he was able to academically transcend beyond many of his peers.

McKay is a leader amongst his peers and displays his leadership as a member of several Kamehameha Schools Maui athletic teams. His family is very supportive of his endeavors and serve as coaches and team parents. He and his family are great assets to our school and local communities.

It is without reservation that I would recommend McKay as a stellar student-athlete and am confident that he would be an asset to your school and community. Should you have questions or require additional information, please do not hesitate to contact me.

Mahina Hannemann-Gago
Interim Vice Principal, Kamehameha Schools Maui
Associate Athletic Director, Kamehameha Schools Maui
